Patient+ Process Flow

Step 1: Authenticated User/GP

- Log in to DF+
- Search and Select Patients or Patient groups
- Assign Mandatory or Specific Questionnaires
- Add Notifications

This User Guide explains the processes for this Step for the Practice Users from any practice Desktop with EMIS web systems.

Step 2: Patients within the practice

- If using own device, Scan the secured QR codes
- Sign in with own name, date of birth on Practice device or Own device
- View personal notification and pre-assigned questionnaires
- Click on button to open questionnaire and choose responses
- Click Submit

Step 3: Authenticated User/GP during a Consultation

- View submitted information, with scores as relevant, on Patient record on the GP's clinical system screen in real-time
- View Demographics and other notification on DF+ login

Syml_DynaForms Patient+ User guide

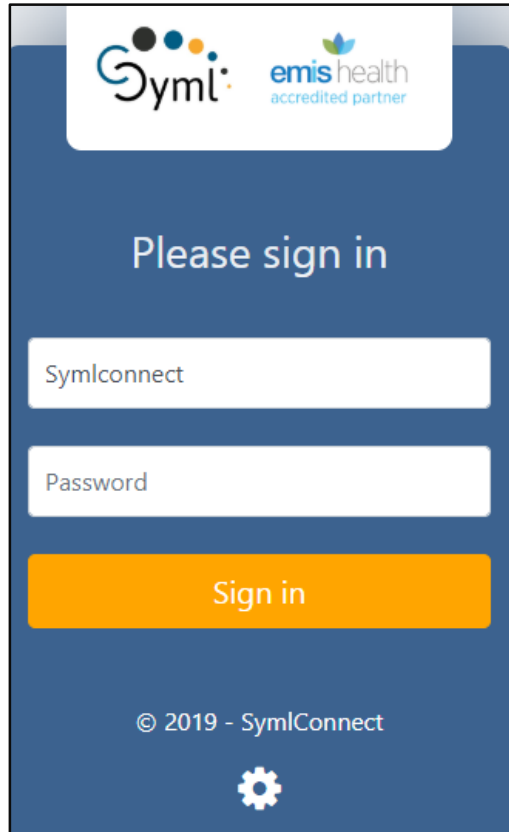

The system is installed on one of the EMIS GP practice's assigned desktop where EMIS web system is installed already.

This guide is a step by step guide for the Practice's EMIS web users using **any Practice desktop to assign questionnaires.**

PLEASE NOTE:

A full step by step guide is included in the documents for the assigned desktop DF+ functionalities
'Syml_DF+ Desktop User guide: V1.0'

For Practice Users

The image shows a mobile app login screen for SymlConnect. At the top, there are logos for 'Syml' and 'emis health accredited partner'. Below the logos, the text 'Please sign in' is displayed. There are two input fields: the first is labeled 'Symlconnect' and the second is labeled 'Password'. Below these fields is an orange 'Sign in' button. At the bottom of the screen, there is a copyright notice '© 2019 - SymlConnect' and a gear icon for configuration.

- ⑤ Users use own EMIS username passwords to log in to DF+ system
- ⑤ Icon  is for Configuration purposes, which is performed during Syml installation and setup.

Set Mandatory Questions

The screenshot displays the DynaForms+ Patient Search interface. The left sidebar contains a 'Main Menu' with options: Dashboard, Search Patient, and Log Out. The main content area is titled 'Patient Search' and includes a search bar, a 'Search' button, and buttons for 'Add To Favourite List' and 'Select Favourite List'. A red circle labeled '1' highlights the 'Set Mandatory Questionnaires' button. A modal window titled 'Set Mandatory Questionnaires' is open, with a red circle labeled '2' around its title. Inside the modal, a table lists various questionnaires with checkboxes. A red circle labeled '3' highlights the 'Smoking Cession' row, which has its checkbox checked. At the bottom of the modal, a red circle labeled '4' highlights the 'Save changes' button. To the right of the modal, a green notification box titled 'Save Mandatory Questionnaires!' contains the text 'Successfully changed the mandatory questionnaires.' and an 'OKAY' button, which is circled in red with a yellow circle labeled '5' next to it.
