

Enhance Clinical System Data Capture By Empowering Patients

[Click to view: Patient+ Concept Video](#)

DF+ Desktop User Guide

Patient+ Process Flow

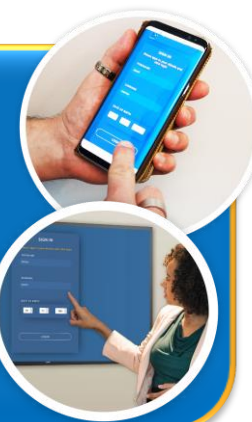

Step 1: Authenticated User/GP

- Log in to DF+
- Search and Select Patients or Patient groups
- Assign Mandatory or Specific Questionnaires
- Add Notifications

This User Guide explains the processes for the Practice Users from the Practice Desktop where DF+ is installed.

Step 2: Patients within the practice

- If using own device, Scan the secured QR codes
- Sign in with own name, date of birth on Practice device or Own device
- View personal notification and pre-assigned questionnaires
- Click on button to open questionnaire and choose responses
- Click Submit

Step 3: Authenticated User/GP during a Consultation

- View submitted information, with scores as relevant, on Patient record on the GP's clinical system screen in real-time
- View Demographics and other notification on DF+ login

Syml_DynaForms Patient+ User guide

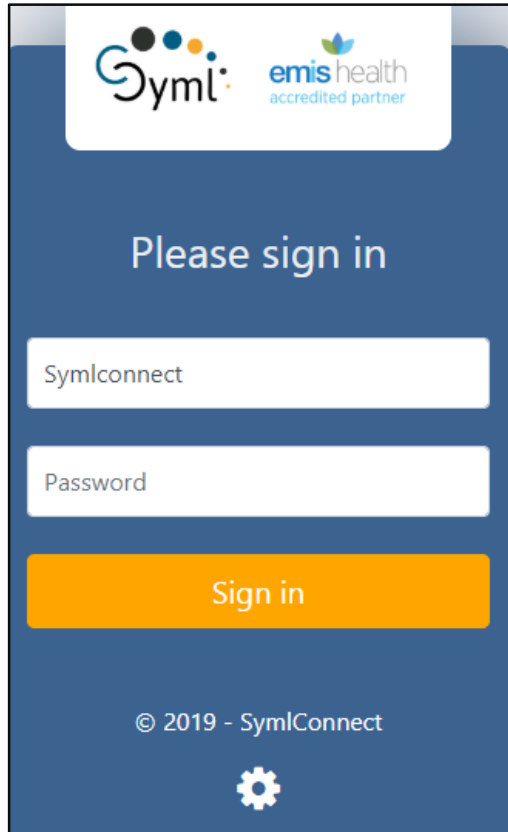

The system is installed on one of the EMIS GP practice's assigned desktop where EMIS web system is installed already.

This guide is a step by step guide for the Practice's EMIS web users using the assigned desktop to assign questionnaires and view Reports and Notifications.

PLEASE NOTE:

Clinicians or any Practice EMIS user is allowed to ASSIGN questionnaires from their own desktops via the Browser Module. A full step by step guide is included in the document **'Syml_DF+ Browser Module Process Flow: V1.0'**

For Practice Users at the Desktop where DF+ is installed

The login interface features a dark blue background. At the top, there is a white header bar containing the Sympl logo and the text 'emis health accredited partner'. Below this, the text 'Please sign in' is centered. There are two white input fields: the first is labeled 'Symplconnect' and the second is labeled 'Password'. Below the input fields is a large orange 'Sign in' button. At the bottom, there is a copyright notice '© 2019 - SymplConnect' and a small white gear icon.

- ⑤ Users use own EMIS username passwords to log in to DF+ system
- ⑤ Icon  is for Configuration purposes, which is performed during Sympl installation and setup.

Practice view Alerts, if any on Desktop DF+ Login

Welcome to DynaForms+. Please review the current alerts.
