

Enhance Clinical System Data Capture By Empowering Patients

[Click to view: DynaForms Patient+ Concept Video](#)

While waiting at reception, Patients complete practice assigned digital questionnaire on their own mobile device or practice allocated touchscreen devices.

Patient+ Process Flow

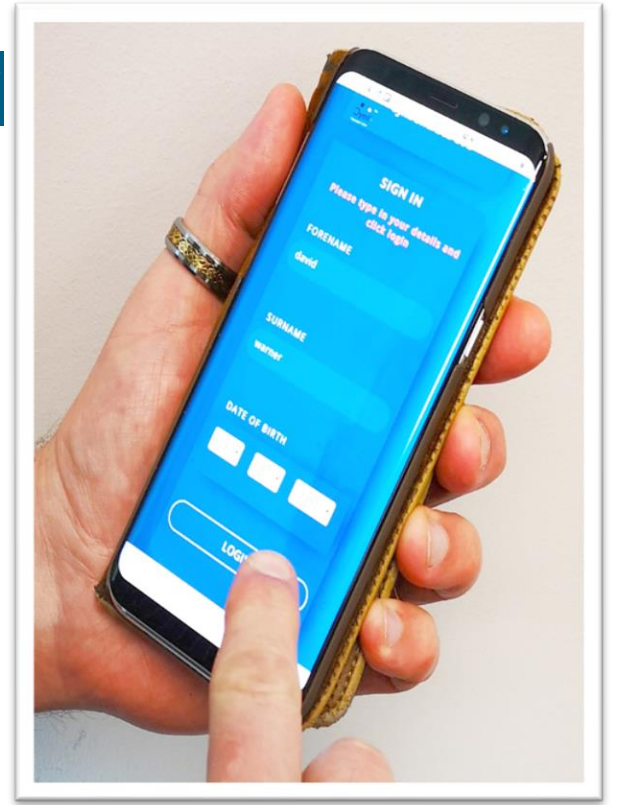

Patients within the practice

- If using own device, Scan the two secured QR codes one after the other following the onscreen steps.
- On Practice device or Own device, Sign in with own name and date of birth
- View personal notification and pre-assigned questionnaires
- Click on button to open questionnaire and choose responses
- Click Submit

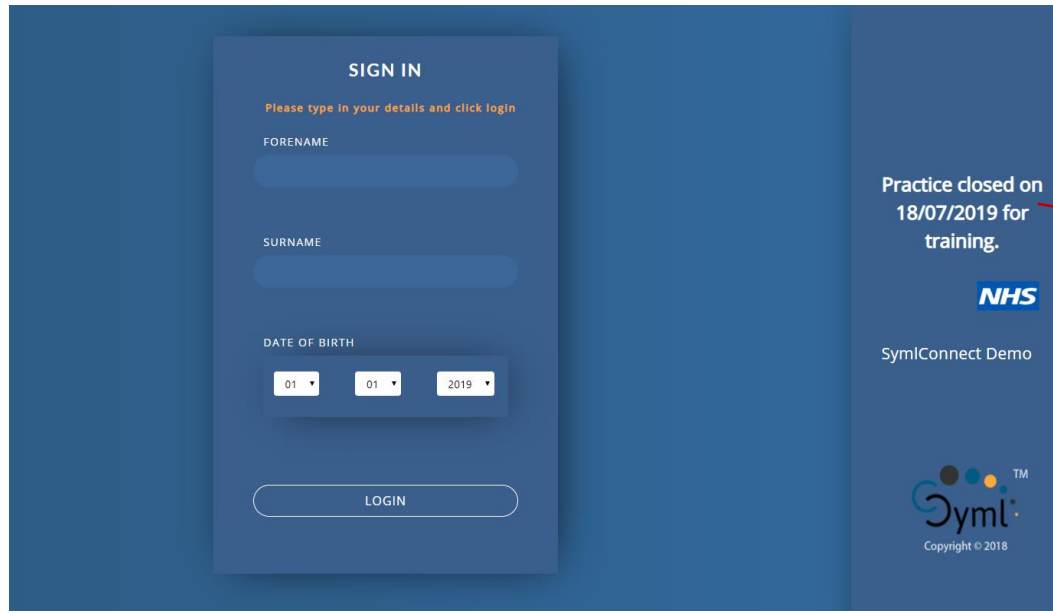

Patients use Practice Touch Screen or Personal devices

- ⑤ Secured Sign In, works only for patients registered with the practice.
- ⑤ Patients cannot navigate any where, except responding to the questionnaire
